EU DECLARATION OF CONFORMITY

Application of Council Directive:

89/EEC-Appendix II B, for industrial machinery, respectively an assembly of linked part of components

Declaration's Standards:

DIN EN 837-1	Bourdon tube pressure gauges
DIN EN 837-2	Selection and installation recommendations for pressure gauges
DIN EN 837-3	Diaphragm and capsule pressure gauges
DIN EN 13190	Dial thermometers

Company:

Watts Instrumentation GmbH
Karl-Friedrich-Benz-Str. 6-8
79395 Neuenburg
Germany

Type of equipment:

Industrial control equipment: Pressure Gauges and Thermometers with visual type's display

The company declares that products stated are in accordance with requirements and provisions of the DIN EN 13190, DIN EN 837-1 and DIN EN 837-3 in compliance with the above-mentioned DIN EN 837-2.

The pressure gauges and thermometers are only to be taken into operation on condition that it has been proven, those machines/equipment into which the pressure gauges and thermometers are being assembled are contemplated in the above-mentioned EU Directives.

This declaration was drawn up on behalf of the above-mentioned company's management and signed duly.
